Ellington is FHA Approved

Great news! The Ellington is now FHA approved for much easier financing options.

BOD Meeting Next Monday

The Ellington Board of Directors meeting is on the third Monday of each month in the club room at 6:30, with open forum following around 8:30. See you Mon., Feb. 15.

Greasy Pizza Boxes

Currently the Ellington does not have compost recycling; therefore, greasy pizza boxes must go in the trash and not the recycling bins.
